**Re: Cellco Partnership d/b/a Verizon Wireless
Proposed Telecommunications Facility - Bloomfield, Connecticut**

Dear «Salutation»:

Cellco Partnership d/b/a Verizon Wireless ("Cellco") will be submitting an application to the Connecticut Siting Council ("Council") on or about April 25, 2007, for approval of the construction of a telecommunications facility on property at 811 Blue Hills Avenue, Bloomfield, Connecticut.

The proposed facility would consist of a 110-foot self-supporting monopole tower disguised as a flagpole and a 12' x 30' equipment shelter all within a 23' x 75' leased compound. The tower would be designed to accommodate multiple carriers.

The location and other features of the proposed facility are subject to change under the provisions of Connecticut General Statutes § 16-50g et seq.

State law provides that owners of record of property which abuts a parcel on which the proposed facility may be located must receive notice of the submission of this application. This notice is directed to you either because you may be an abutting land owner or as a courtesy notice.

If you have any questions concerning the application, please direct them to either the Connecticut Siting Council or me. My address and telephone number are listed above. The Siting Council may be reached at its New Britain, Connecticut office at (860) 827-2935.

Very truly yours,

Kenneth C. Baldwin
